

President's Message

Hi Everyone,

I want to start by acknowledging those who have tragically passed at sea over the past 12 months, our thoughts are with the families and loved ones. On behalf of the MBFC we donated to the give a little page set up for the three Gisborne men. For us here it is a reminder to always make sure we are prepared when heading to sea and as a club we will be facilitating a few initiatives to ensure we are as safe as can be. We are looking to hold skippers courses as well as providing information on radio usage and a fundraising quiz night with money going to support local emergency services. Keep an eye on the facebook page for more information.

Another year has been and gone and we were fortunate with favourable conditions to run most competitions. We had great support for all competitions and the new Civil Contractors event was a great day.

Thanks to all our sponsors who support the comps. Please do your bit to support them, they can be found on the tournament sponsors map attached to this newsletter. We are excited to let you know we have lots of awesome new sponsors on board who are sponsoring tournaments or species for the coming season. These major tournament sponsors are as follows:

Labour Weekend - COF's Hawkes Bay ,
5+5 - Quality Roding and Services,
Ladies Day - Bayleys, &
Family Day - Tim's Construction.

The recent storms have deposited tons of woody debris and green stuff along the beach and combined with soft sand have meant we have had to remove the tractors from the beach for a portion of time.

The tractors continue to work hard and be a big part of the club. We have had one overhauled this year and will continue to give them a birthday on rotation. Most people are very respectful of the tractors and understand the risks associated however on occasion we hear of incidents where the rules are not followed. Please do not loan your keys out and remember to have the orange light flashing when operating. A big thank you to everyone who has helped to keep these vital and valuable machines operating.

A reminder that although as a Club we are not members of the New Zealand Sports Fishing Council, our current members can still weigh fish in for the Nationals and our club will pay for you to do that. Please contact us for more information if this impacts you.

It has been great to see all the fish caught this year and thanks to Maz for keeping our facebook page updated with all the great catches. We have a fantastic committee who work hard for the club and among other things are working away trying to finalise the design for the extension to the club rooms and get approval from all affected parties, this has been a slow process, but we are committed to providing a bigger area to meet with you all. Thanks again to the committee for the work you all do and the support you provide, if you are thinking of joining, please let me know.

Tight lines!!

Mike Wilson
Club President

Treasurer & Membership Update

Hi Everyone

The financial situation for us has improved over the past year with the ability to run many of our competitions while also keeping some running costs down without compromising on the quality of services we provide. You will see on the finances that while utilities continue to increase each year we have made savings in other areas such as printing and stationary, catering, general repairs and maintenance and Tractor repairs.

On the membership front, we have a total of 821 members which is an increase on last year but not quite back to pre-cyclone levels. We anticipate this will continue to grow this coming year.

Invoicing for the next financial year will commence in September with keys changing over after Labour weekend as usual. Ensure that you get your renewals organized early to avoid any last minute delays which could impact on your fishing time!

Have a good rest of year and look forward to seeing you all down at the club and out on the water over the summer months.

Stephen and Rose

ANNUAL PRIZE WINNERS

For 2023 - 2024 Year

The following members will be presented with awards and trophies at the annual general meeting on Saturday 21 September 2024

SPECIES	TROPHY/CUP	ANGLER	WT (KG)
JUNIORS			
Kahawai	Morgan Cup	Hunter Scott	2.050

• THANKS TO OUR SPONSORS •

Some sponsors and supporters are keen fishers themselves and join in with club activities.

Others are simply supporting the club because the members bring economic benefits to the community and help keep businesses operating in Mahia & Wairoa as well as Hawke's Bay and Gisborne.

We acknowledge the support of these businesses on tournament maps, on the radio skeds during tournaments and at club events.

You can do your bit too by choosing to buy from those businesses which support our club. Don't forget to tell them that you are supporting them because they support our club and you appreciate their support.
